

EC Certificate of Conformity

Certificate No. 0086-CPD-582446

In compliance with Council Directive 89/106/EEC of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to construction products (the Construction Products Directive or CPD), as later amended, it has been stated that the construction product

Steel Lighting Columns

Valmont Stainton steel lighting column size limitations 0m to ≤ 20 m

placed on the market by

Valmont Stainton Ltd

Dukesway, Teesside Industrial Estate, Stockton-on-Tees, TS17 9LT, United Kingdom

and manufactured at the following location

Valmont Stainton Ltd

Dukesway, Teesside Industrial Estate, Stockton-on-Tees, TS17 9LT, United Kingdom

is submitted by the manufacturer to a factory production control and that the notified body BSI has performed the initial type-testing for the relevant characteristics of the product, the initial inspection of the factory and of factory production control and performs the continuous surveillance, assessment and approval of factory production control.

This certificate attests that all provisions concerning the attestation of conformity and the performances described in Annex ZA of the Standard(s)

EN 40-5:2002

were applied and that the product fulfils the prescribed requirements.

This certificate remains valid as long as the conditions laid down in the harmonised standard in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly.

For and on behalf of BSI, a Notified Body for the above Directive (Notified Body Number 0086).

Gary Fenton, Global Assurance Director
